Start your day well with this iconic dining experience designed to inspire a love for wildlife and delight your senses! Savour a hearty meal of local and international flavours in our charming rainforest zoo and meet our wildlife ambassadors and their keepers, who will fill your minds (and hearts) with stories about the animal kingdom, habitats and nature. Enjoy a scrumptious planet-friendly breakfast spread that is thoughtfully prepared by our chefs.

Planet-friendly Meals

As part of making good choices to protect wildlife and our planet, our kitchen uses only sustainably-sourced palm oil and we serve Owa Coffee, which uses beans grown in a wildlife-friendly manner in Indonesia. The menu also doesn't feature beef because of its disproportionately high environmental impact.

Meet Our Wildlife Ambassadors

Enjoy photo opportunities and interact with our animal ambassadors such as the Tamandua, Coatiundi, Macaw and Orangutans* in this iconic dining experience.

*Appearance subject to weather and animal conditions
