### Bintan Mangrove Discovery Tour

**Journey through the thick mangroves along Sebung River for a 60-minute eco-adventure of Bintan.**

Sebung River is home to hundreds of wildlife and fauna species. Witness the agile leaps of macaques and silver leaf monkeys, and colorful kingfishers as you cross the mangrove jungle. Keep an eye out for mangrove snakes curled up on the trees above the meandering river. Spot the elusive monitor lizards and mud lobsters that weave homes through the mounds. Learn how the river provides a livelihood for its local residents and how the mangrove forest safeguards Bintan's coasts. The daily night tour offers a different and extraordinary experience. As your eyes adjust to the surrounding darkness, you will wonder at the intermittent yet enchanting glow of dancing fireflies under the blanket of the dazzling stars up in the night sky. For a complete mangrove experience, add on a fresh seafood meal to be savoured at a Kelong restaurant nestled in the Sebung River.
