

Where fire shapes flavour and the skyline frames Kaarla.

Rising 280 metres above the CBD at CapitaSpring, Kaarla Wood-Fire Grill & Bar presents coastal Australian cuisine shaped by refined Japanese influence and guided by a farm-to-table philosophy.

At the world's highest urban Food Forest, chefs harvest herbs and native botanicals moments before they meet the flame. This rooftop sanctuary blends provenance, craft, and skyline views into an elemental dining experience made for discerning global and corporate travellers seeking depth, distinction, and a sense of place.
