

We are thrilled to share with you an exciting development from one of the most iconic landmarks in Singapore – the Marina Bay Sands!

Marina Bay Sands has recently unveiled its new Sands Premier Room Collection, a testament to their commitment to providing unparalleled luxury and comfort. Each room, spanning a generous 45m², is a sanctuary of elegance, equipped with a 75" TV integrated with smart technology, a well-stocked bespoke Armoire and cocktail trolley, and a spacious bathroom fitted with a luxurious bathtub, rain shower, and separate vanities. The rooms offer a choice of a king bed or two queen beds, and views that overlook either the stunning Gardens by the Bay or the vibrant city.

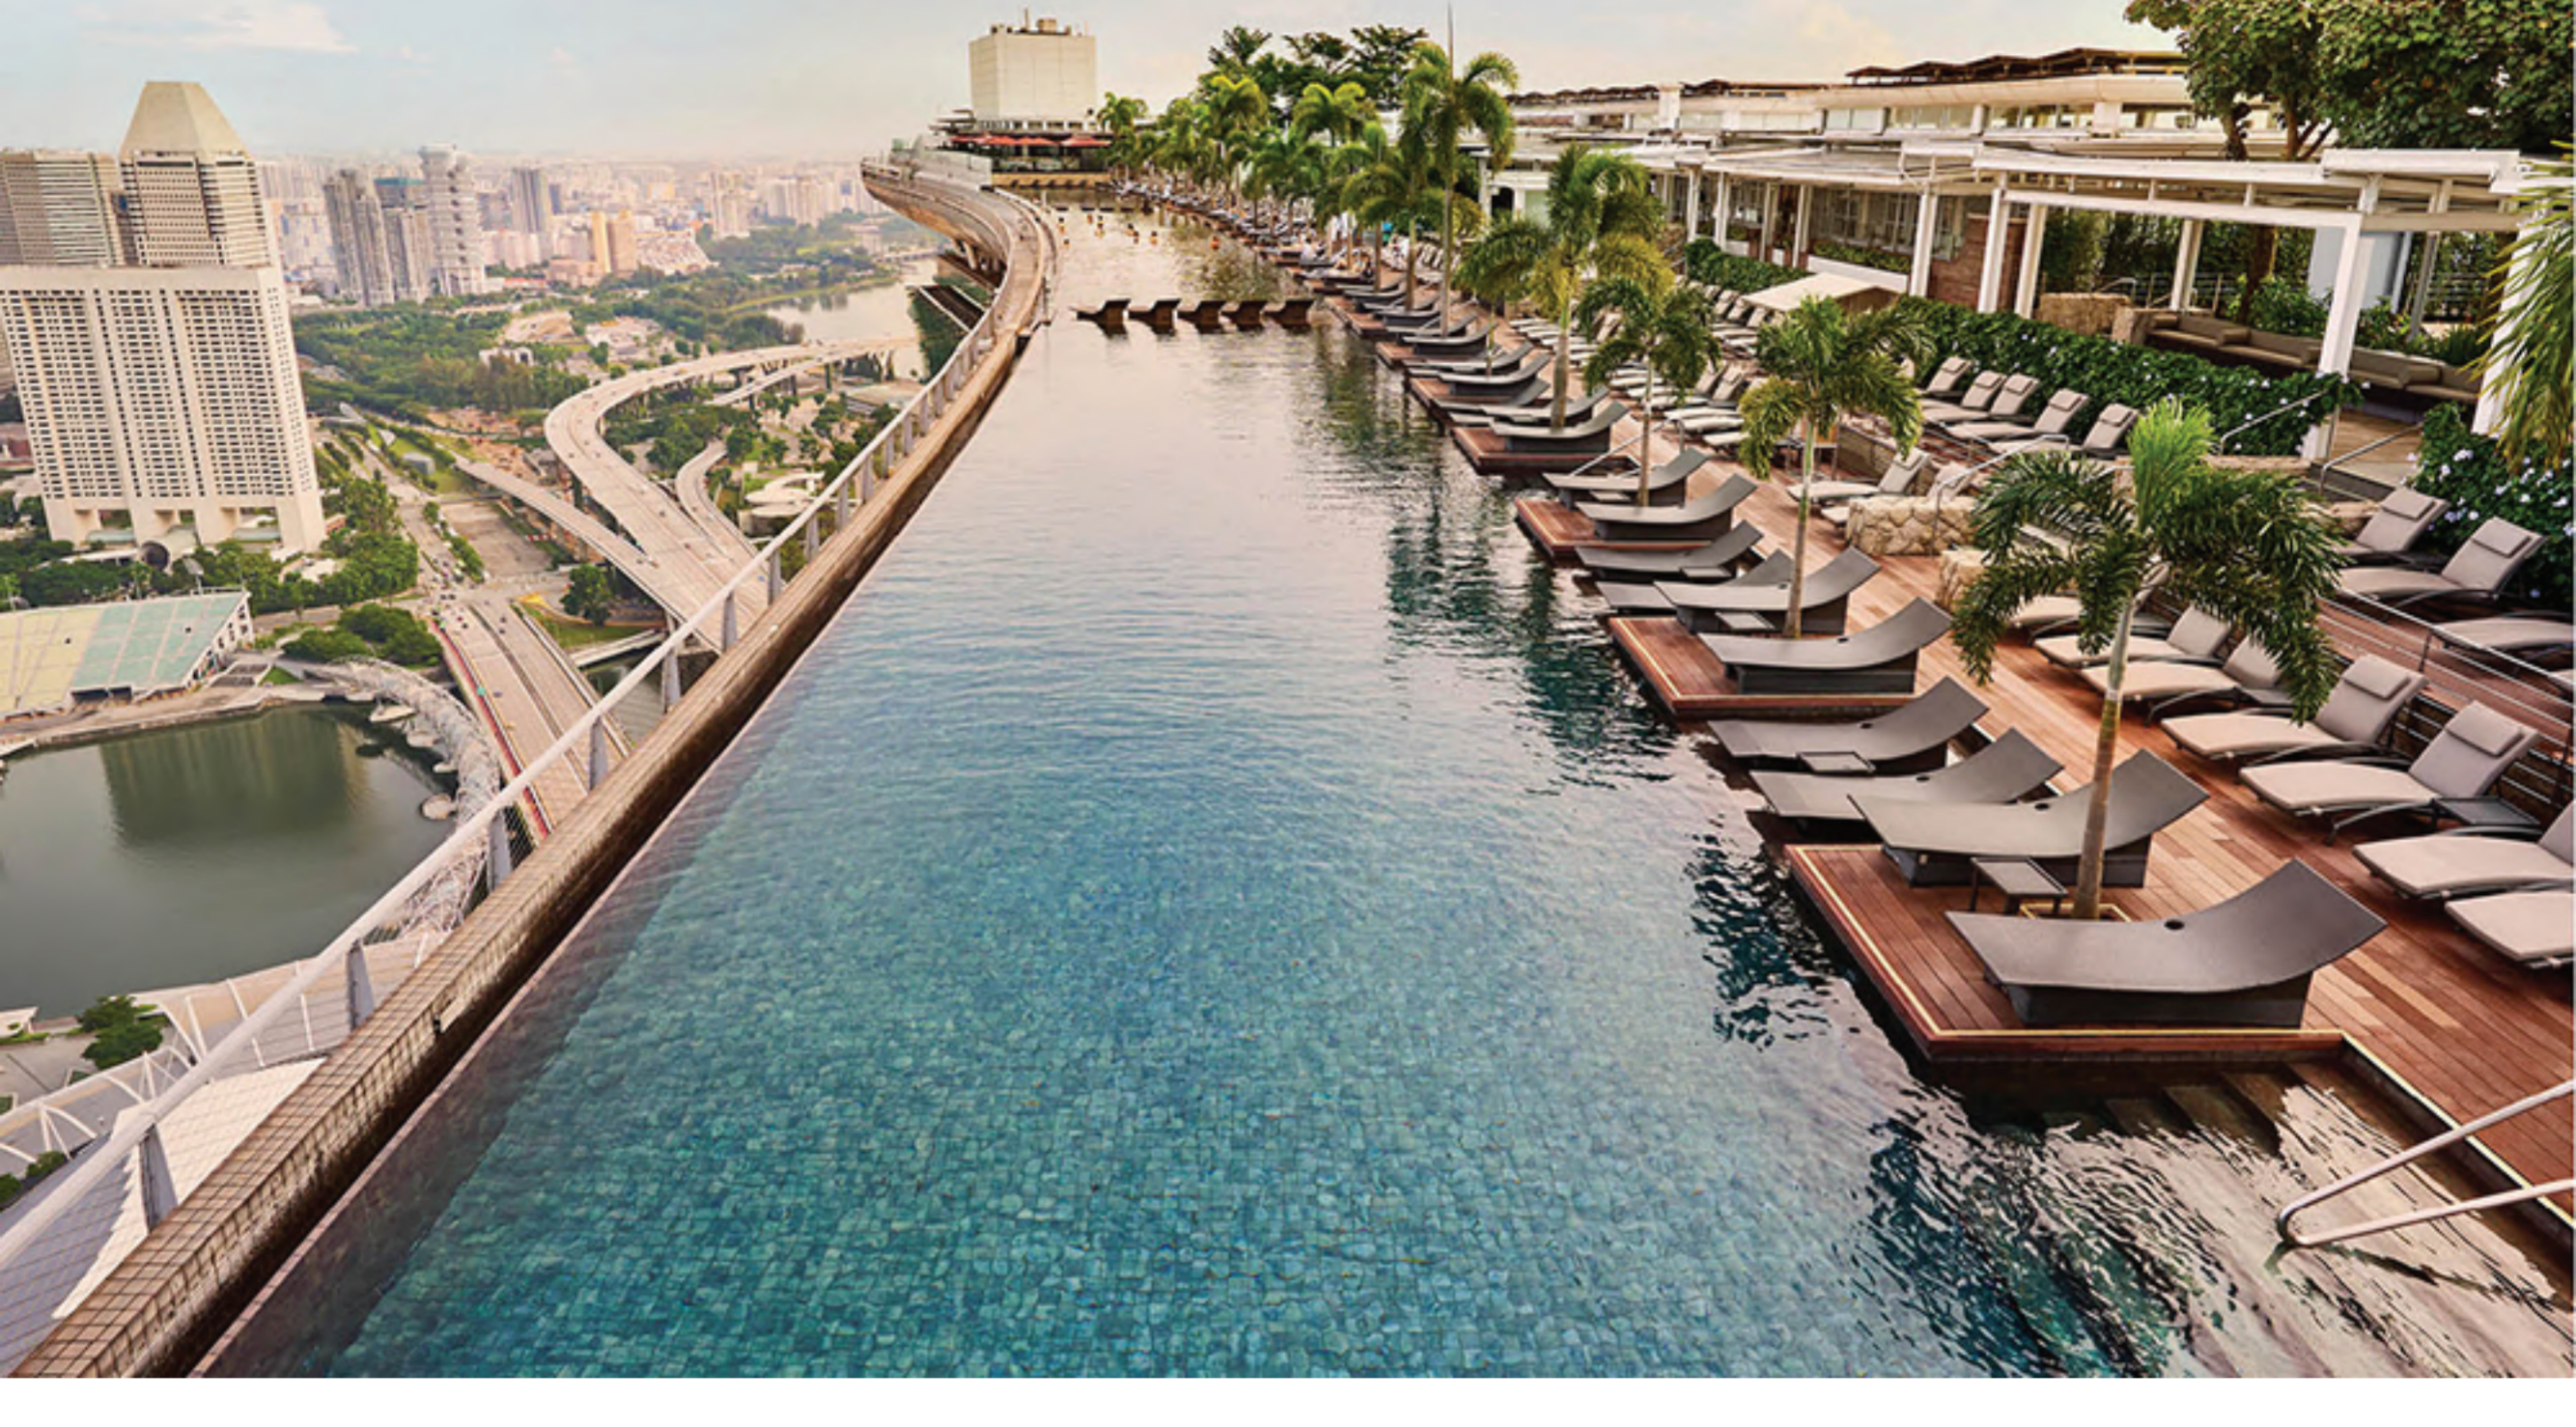

The attention to detail is exquisite, from the Rivolta Carmignani terry to the Salvatore Ferragamo bath amenities. Every element has been carefully curated to ensure a stay that is as comfortable as it is memorable. The room is also integrated with smart technology, featuring proximity-sensitive switches, Qi wireless chargers built into the marble nightstands, and a smart toilet that automatically opens its lid as you approach. The in-room amenities are taken to the next level with the turndown service. Depending on what the attendant notices in your room, they will thoughtfully cater to your potential needs. For example, if you have your laptop and mouse out, the attendant will tidily arrange the wires with a cable tie and provide a mousepad. These little but significant touches truly cement the experience of staying at Marina Bay Sands.

As a guest, you'll also have access to the Marina Bay Sands app, which provides room details at a glance and allows you to connect your keycard for room and lift access using your phone. You can also register for a Sands Lifestyle membership to enjoy member benefits, perks, and rewards when you shop, stay, and dine at Marina Bay Sands.

Beyond the rooms, Marina Bay Sands offers an array of over 80 dining options to choose from. You'll also have access to the world's largest rooftop infinity pool, the ArtScience Museum, Gardens by the Bay, exhibition halls, and the casino.

We at The Traveller DMC are excited to offer special contract rates on these rooms. Our dedicated team is ready to assist you with FIT and Group Bookings MICE. Please feel free to reach out to the respective contact persons for your region.

Experience the new standard of luxury at Marina Bay Sands. We can't wait to welcome your clients to their home away from home.
