

Discover the Allure of Mercure Singapore Bugis

Nestled in the heart of Singapore's vibrant Bras Basah-Bugis enclave, the Mercure Singapore Bugis stands as a testament to the perfect blend of heritage and modernity. This 4-star haven, rising 15 stories high, offers a panoramic view of the city's skyline, juxtaposing the old-world charm of the neighbourhood with its contemporary design.

Step into a world where the past meets the present. The hotel's design is inspired by the rich tapestry of Bugis' history, from the bustling street markets and majestic places of worship to the architectural marvels that dot the landscape. Whether you're looking to explore the Middle Eastern vibes of Arab Street, shop till you drop on Orchard Road, or immerse yourself in the arts at the National Library or Museum, Mercure Singapore Bugis is your perfect starting point.

Strategically located, the hotel is within close proximity to the Suntec Convention & Exhibition and Sands Expo. This positions the Mercure Singapore Bugis as an ideal choice for guests attending MICE events at these two prominent venues, making it a convenient base for business and leisure alike.

But the allure doesn't stop at its location. The hotel boasts unique rooms and loft suites crafted with a touch of whimsy by leading architects and designers. And for those gastronomic adventures, two in-house restaurants and a lounge bar await, offering a culinary journey that mirrors the diverse culture of Bugis.

Planning an event? The hotel is fast becoming one of Singapore's premier event destinations, with state-of-the-art meeting facilities, a grand ballroom, and private dining options.
