

Explore heritage on a piece of heritage – some of the older bikes are made in Singapore, as far back as April 1965, pre-independence

Singapore Sidecars offers Vespa Sidecar tours on some lovingly restored vehicles, and got nominated as a Finalist for Best Tour Experience at the prestigious Singapore Tourism Awards 2019.

Explore Singapore up close and personal as you journey by sidecar through our heritage areas, enjoy tastes and listen to stories that make this multicultural island so special. As a Social Enterprise providing the world's first vintage vespa sidecar tours, we also channel profits and resources to good causes. In 2018 we made it into the Book Of Records for Land Distance in Vintage Sidecars, while fundraising for cancer research on a 72hour, 500mile ride from Singapore to Penang. In 2020 we did it again, raising awareness and funds to fight the pandemic, this time reaching Penang in 9hrs 20minutes.

SingaporeSidecars is the only Singapore tour to make it into a plethora of prestigious international publications, which include Vogue, Conde Nast Traveller, and Le Figaro to name some, as well as partner with a host of 5 Star hotels, and rank as an Official F1 Season 2019 Highlight Event.

We also feature on a set of 3 AusPost stamps launched in 2021, each featuring something iconically Singapore, alongside Gardens By The Bay and Fort Canning.

Experience Singapore's sights, sounds and flavours up close and personal as you breeze down quaint alleyways and enjoy face-to-face encounters with real locals as you meet our Storytellers – not the touristy stuff you see from a distance, but the real Singapore close-up.

Try a Night Ride with Makan (eats) and Drinks, a half-day heritage tour or simply book a 60-minute spin, to get an overview of an historic neighbourhood before homing in on the activities you want to do.

Many of our rides include an element of a walking tour too, and if you prefer a cooler ride – book a balmy evening ride and see the night lights and the city come alive.

We're not afraid to admit our weak points too. The day Hollywood came for a ride – during the World Premiere of Avengers: Infinity Wars – the entourage asked last minute at 7am for a 10th sidecar, when they'd booked 9. We thought our hard working reserve rider deserved a good sleep that Saturday morning so the entourage got 9 sidecars. Later that day the press showed Benedict Cumberbatch wandering about nearby on his own. We inadvertently made Doctor Strange walk, and sweat a lot. Not many tour companies can say that.

Offering rides for groups as small as 1 to 120 Pax MICE events, Singapore Sidecars brings you Singapore from a most unique perspective.
